

The Space Renaissance International 1st Congress

2011 June 25th, 26th, July 9th, 10th

Rel. 1.3 2011/06/10

Modality of the Congress

The congress will be held online, using Skype, in chat modality.

The congress is open, anyone can attend.

Only the SRI regular members have rights to post and to vote (here's where to register, just in case: <http://www.spacerenaissance.org/sri-register.htm>).

The congress will take place in 4 time modules, of 3 hours each, during two weekends in June and July (see the agenda below).

At the beginning of each module a small motion will be introduced. Discussion and amendment will follow.

During the last module the issues, as amended, will be voted, and the directive organs will be voted as well.

Each module will firstly elect a chairperson, encharged to coordinate the meeting, giving floors, helping the formulation of amendments, coordinating the votes of amendments.

The issues will be issued by the SRI Board before the congress, as soon as possible.

It is assumed the knowledge of our Theses, online since many months, and collected in the book "Three Theses for the Space Renaissance", available on Lulu.com (also in pdf format) <http://www.lulu.com/commerce/index.php?fBuyContent=10003567>
